"I have dealt with Pickering's Escalators several times
and have always found them to be very professional
and quick to respond to phone calls and emails.
Would highly recommend!"

5 Star review from our customer - Ian Sargent

LEGISLATION

MAINTENANCE PLANNED PREVENTATIVE MAINTENANCE (PPM)

"Our Escalator PPM regimes can be tailored to
meet the usage levels of your equipment to
improve longevity and efficiency. Servicing is
completed in-line with current legislation and
Health & Safety criteria by directly employed,
fully qualified, dedicated escalator engineers.
A variety of packages are available from
Standard Contracts through to Fully
Comprehensive Agreements."
